

Event Pricelist 2023 - Sweet Pies

Our mission is to create a unique memorable experience for you and your guests with seasonal flavors, colors, and textures, unlike any other “sweet” experience in Denmark. This pricelist is our basis starting point. Whole pies serve approximately 8 people and we'll work with you to create exactly the pie table you wish. We recommend ordering a minimum of two more pies than you need. Guests tend to come back for seconds... and even thirds!
