

The Big Pie Night: Team Building Event

Bond, bake, and eat pie! The Big Pie Night is a perfect team-building event for colleagues and friends. At our cozy pie shop in the heart of Copenhagen, you'll work together with The American Pie Company's pie experts, who will introduce you the wonderful, rustic world of pie. This guaranteed fun and informative event includes a baking class that teaches you to make our popular Yo'Mama's Apple Cinnamon Pie (*as seen on Den Store Bagedyst!*) with authentic American-style technique, as well as a full private dinner, beverages, and dessert pie tasting.

WHAT YOU'LL LEARN:

With a complete hands-on experience, you'll work in 2 large teams, then secret teams of 2, learning the basics of pie dough, rolling out, and assembling pie, plus learning techniques for different crust designs and weaving, and tips for perfect baking.

This event not only challenges and develops your communication skills with others, it will give you the chance to compete and have fun with your colleagues.

WHAT YOU'LL DO:

The evening will begin with our pie baking course, where you'll work together and enjoy a choice of beverages (beers, wine, sodas, specialty coffees, teas, etc)

Then, while your pies are baking in the shop's kitchen, we'll head upstairs for dinner in our cozy pie shop, that will be reserved privately for your group. You'll feast on Savory pies (Chicken & Thyme, Spicy Bourbon Pulled Pork, Beef & Mash, 3-Cheese Broccoli Cauliflower, and more!), green salad with maple vinaigrette dressing, and a glass of wine, cold beer, or beverage of your choice. (*Vegetarian & Vegan options available!*)

After dinner, it's dessert time! The American Pie Company is known for our ever-changing seasonal variety of authentic American sweet pies, and you'll dive in to a pie tasting of all the season's flavors and textures, while enjoying coffee or tea.

THE BEST PART? FRESHLY-BAKED PIE HOME, TOO

When your handmade apple pies are finished baking, we'll allow them to cool and then each participant will be able to take pie creations home or to work to share. ;-)

CLASS FEATURES:

- > **Pie Baking Class**, working in groups, then secret teams
- > **Assistance** from staff and clean-up, so you can focus on the fun part!
- > **Private dinner** in our cozy pie shop and a sweet pie tasting for dessert
